

# FATHER, SEND IN YOUR NAME THE HOLY SPIRIT

Father, send in your name the Holy Spirit

Who teaches us all things

Who will recall to us all the words of Jesus

And who will remain with us forever.

Your Spirit will console us

He will strengthen us

Along the harsh paths of the world,

He will lead us to the truth

So that we ourselves may be authentic in our love.

May the Spirit pour forth mercy

May he flow through the whole world,

May he breath wherever he wishes

But first of all wherever pain, solitude, or cold prevail.
