

## **It is when I am weak that I am strong**

Lord Jesus,

It is in my weakness that I find your strength,  
In my fragility that I discover your presence,  
It is in my sorrow that I discover your consolation,  
In my fear that I find your audacity,  
In my anger that I find your peace,  
In my mediocrity that I find your forgiveness and mercy.

It is also in my joy, so fleeting,  
That I find your own, deep and inalterable,  
Which is that of the Kingdom.

It is in your cross that I find my responsibility,  
And in your Resurrection that I find my liberty and my hope  
At the same time unique and in solidarity with all of humanity.

Glory be to you for ever and ever.
